

CARTE NAUTICHE IN KIT PER IL DIPORTO

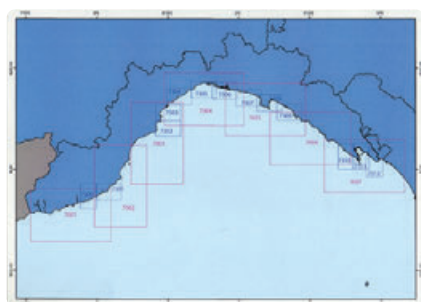

ISTITUTO IDROGRAFICO DELLA MARINA

Queste carte, prodotte dall'Istituto Idrografico della Marina, sono **derivate dalla carta nautica elettronica (ENC)** diversa per il taglio, con innovazioni discendenti dalla simbologia internazionale utilizzata sulla ENC. Stampate sullo stesso supporto cartaceo della carta nautica tradizionale ulteriormente trattato per offrire maggiore resistenza agli agenti atmosferici.

Dimensioni di ogni foglio: 50 x 33,5 cm

Scale 1: 100.000 - 1: 30.000
